CCI Europe 2024 in Germany

from 13th July to
19th July 2024
in Papenburg

Meeting each other, growing
and
celebrating life!

An international summer
event for all CoCounsellors

Yes to me, yes to you - YES TO LIFE!

What are you saying yes to?
How does your yes feel?
What steps do you want to take?
What effect does your yes have in you and me
and in the world?
Let's discover it together.

Co-counselling gives us access to our own **resources and answers**. At the Co-Counselling International (CCI) 2024 will come together from many countries to refine our CoCounselling skills.

We recharge our batteries by working together and developing ourselves personally. In addition we **strengthen our international connections** and, most importantly, we celebrate our friendships. Everyone has the opportunity to run their own workshop on a topic of choice. Anyone who has completed 40 hours fundamentals in co-counselling training can join.

We look forward to seeing you!
